

What's love?

Type of Ministry: Lesson for 9th – 12th Grade

Main Aim: Teaching the students the different ways people love and help them discover their love language.

Attention:

Module: Matching Game – The students have to match the definitions of the 4 loves Eros, Agape, Phelio and Storge to a Picture and the Name.

Module: Explain the 4 loves.

Application:

Module: Explain the 5 love languages.

Module: Love Language Quiz. The students get to find out their love language.

Appeal:

Module: Have a challenge for each love language:

Words of Affirmation: Over the next week tell a friend 3 things that you appreciate about him and he or she is good at.

Quality Time: Over the next week take 1 hour to spend time alone with somebody close to you and talk with them

Gifts: Over the next week give a small gift to someone you love.

Physical Touch: Over the next week give 5 hugs or lovepats to people around you.

Acts of Service: Over the next week help somebody in your family or a friend with something practical they need to do.

Supply List: matching cards, Love Language Quiz
